

Canada Emergency Commercial Rent Assistance (CECRA) Acknowledgement

As you are aware, your CECRA application has been pre-approved. In order to move your application to the next phase, please acknowledge that you have reviewed the information within the application and that you are certifying the information is accurate and complete.

As part of this process, you consent to provide your personal information, including two pieces of applicable identity verification documents for the purposes of approving your application and ability to receive funds.

Once you complete this acknowledgement, you will be required to upload the documents listed below.

Please note these documents are **mandatory** and failure to upload them will result in significant delay in processing your application and receipt of funds.

Mandatory Documents:

- Two documents from the list below - these documents are used for identity verification purposes **of the property owner**
 - Provincial or territorial driver's license (front and back image required)
 - Provincial or territorial identity cards (front and back image required)
 - Canadian Passport
 - Permanent Resident Card
 - Citizenship Card
 - Secure Certificate of Indian Status
 - Nexus Card (front and back image required)
- A clear image of a void cheque from the account to which the Canada Emergency Commercial Rent Assistance (CECRA) funds will be deposited. This void cheque must be from the same bank account that you previously uploaded a statement from as part of the initial application process.

Please complete this process as quickly as possible in order to ensure that we are able to review the documentation uploaded and proceed to the final steps of processing your application.

Failure to complete this process within 7 days will require you to re-initiate your entire application.
